

UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF OHIO
EASTERN DIVISION

NOTICE OF CLASS ACTION SETTLEMENT

If you are a Third-Party Payor that paid or reimbursed costs for prescription opioids or paid or incurred costs for treatment related to opioid misuse, addiction, and/or overdose, a class action lawsuit may affect your rights.

*This Notice is being provided by Order of the U.S. District Court.
It is not a solicitation from a lawyer. You are not being sued.*

A lawsuit is pending in the United States District Court for the Northern District of Ohio (the “Court”) where Third-Party Payor Plaintiffs claim that Defendants played a central role in the opioid crisis. They claim that to sell as many prescription opioids as possible, opioid drug manufacturers misrepresented the risks and safety of long-term prescription opioid use and drug distributors did not properly monitor or report suspicious orders. Defendants deny any wrongdoing.

A settlement has been reached with Cencora, Inc., Cardinal Health, Inc., and McKesson Corporation (the “Settling Distributors”). The settlement for Third-Party Payors (“TPPs”) provides for a cash payment of \$300,000,000 (the “Settlement”). The Settlement is subject to Court approval.

Your legal rights and options are explained below.

Plaintiffs will ask the Court to certify for Settlement the following TPP Class:

All entities that paid and/or were reimbursed for (i) opioid prescription drugs manufactured, marketed, sold, distributed, or dispensed by any of the Defendants and/or Opioid Supply Chain Members for purposes other than resale, and/or (ii) paid or incurred costs for treatment related to the misuse, addiction, and/or overdose of opioid drugs, on behalf of individual beneficiaries, insureds, and/or members, during the time period from January 1, 1996 to the date of entry of the Preliminary Approval Order.

For clarity, the Class includes but is not limited to: (a) private contractors of Federal Health Employee Benefits plans, (b) plans for self-insured local governmental entities that have not settled claims in MDL No. 2804, (c) managed Medicaid plans, (d) plans operating under Medicare Part C and/or D, and (e) Taft-Hartley plans.

The following are excluded from the Class:

(a) all federal governmental entities and all state and local governmental entities whose claims have been released by a prior settlement with the Settling Distributors, (b) PBMs, (c) consumers, (d) fully insured plan sponsors, and (e) Excluded Insurers, including the related entities as listed in the definition of Excluded Insurers. For the avoidance of doubt, (i) entities that are administered or operated, but not owned, by an Excluded Insurer and (ii) entities that own an

interest, even a controlling interest, in a PBM, are not excluded from the Class, unless they are an Excluded Insurer or are otherwise excluded; and (f) the Settling Distributors and their subsidiaries, affiliates, and controlled persons; officers, directors, agents, servants, or employees of any Settling Distributor, and the immediate family members of any such persons; and persons and entities named as Defendants in any of the Actions coordinated under or parallel to MDL No. 2804.

*As explained more fully below, Excluded Insurers include parents and subsidiaries of the following corporate families: Aetna, Anthem, Cigna, Humana, and UnitedHealth.

BASIC INFORMATION ABOUT THE LAWSUIT

1. Why did I get this Notice?

You received this Notice because you requested it or records show that you may be a member of the TPP Class. On September 3, 2024, the Court granted preliminary approval to the Settlement and will decide at the Fairness Hearing whether to certify for settlement the TPP Class. The Settling Distributors deny any wrongdoing. You are not being sued. This Notice describes the lawsuit and the rights and options you have.

2. What is the lawsuit about?

Plaintiffs claim that Defendants played a central role in the opioid crisis. They claim that to sell as many prescription opioids as possible, manufacturers misrepresented the risks and safety of long-term prescription opioid use and distributors did not properly monitor or report suspicious orders.

Plaintiffs claim that Defendants’ conduct caused substantial, direct, and proximate harm to Third-Party Payor Plaintiffs. Because of the opioid crisis, TPPs claim they have wrongfully had to pay large costs for opioid prescriptions and opioid use disorder treatment.

Defendants deny these claims and that they did anything wrong. The litigation is proceeding, and, at this point, the Court has not decided who is right.

3. Who are the Settling Defendants?

The Settling Defendants are Cencora, Inc., Cardinal Health, Inc., and McKesson Corporation (referred to as the “Settling Distributors”).

4. What is the current status of the lawsuit?

The lawsuit is currently pending in the United States District Court for the Northern District of Ohio before United States District Judge Dan A. Polster. The case name and number are *In Re: National Prescription Opiate Litigation*, No. 1:17-md-2804. Third-Party Payor Plaintiffs have reached a Settlement Agreement with Defendants Cencora, Cardinal, and McKesson (the “Settling Distributors”) where the Settling Distributors will pay \$300,000,000 if the Court approves the Settlement. If the Court approves this Settlement, it will resolve the claims against the Settling Distributors.

5. Why is the lawsuit continuing if there is a Settlement?

Only the Settling Distributors listed above in Question 3 have agreed to settle the lawsuit. The case is continuing against the remaining Defendants in the action (“Non-Settling Defendants”). Additional money or benefits may become available in the future as a result of a trial or future settlements, but there is no guarantee that this will happen.

6. What is a class action, and who is involved?

In class actions, one or more people (or businesses) called the “class representatives” sue on behalf of themselves and other people with similar claims in the specific class action. All of these people together are the “class” or “class members.” In a class action, one court may resolve the issues for all class members, except for those who exclude themselves from the class.

DETERMINING IF YOU ARE A MEMBER OF THE TPP CLASS

7. I am a Third-Party Payor that has purchased or reimbursed costs of prescription opioids, or paid or reimbursed for opioid-caused addiction treatment; how do I know if I am a member of the TPP Class?

As a **Third-Party Payor**, you may be a member of the TPP Class if you are included in the definitions below:

Third-Party Payors generally include health insurance companies, third-party administrators, health maintenance organizations, health and welfare plans that make payments from their own funds, and other health benefit providers and entities with self-funded plans that contract with a health insurer or administrator to administer their prescription drug benefits.

Third-Party Payors also generally include private entities that may provide prescription drug benefits for current or former public employees and/or public benefits programs, but only to the extent that such a private entity purchased or reimbursed costs of prescription opioids or paid or reimbursed for opioid-caused addiction treatment for consumption by its members, employees, insureds, participants, or beneficiaries.

In this case, you are in the TPP Class if you are an entity that paid and/or were reimbursed for (i) opioid prescription drugs manufactured, marketed, sold, distributed, or dispensed by any of the Defendants and/or Opioid Supply Chain Members for purposes other than resale, and/or (ii) paid or incurred costs for treatment related to the misuse, addiction,

and/or overdose of opioid drugs, on behalf of individual beneficiaries, insureds, and/or members, during the time period from January 1, 1996 to September 3, 2024.

The TPP Class includes (a) private contractors of Federal Health Employee Benefits plans, (b) plans for self-insured local governmental entities that have not settled claims in MDL No. 2804, (c) managed Medicaid plans, (d) plans operating under Medicare Part C and/or D, and (e) Taft-Hartley plans.

The TPP Class does not include (a) federal governmental entities and state and local governmental entities, (b) PBMs, (c) consumers, (d) fully insured plan sponsors, and (e) Excluded Insurers, including all related entities listed below. For the avoidance of doubt, (i) entities that are administered or operated, but not owned, by an Excluded Insurer and (ii) entities that own an interest, including a controlling interest, in a PBM, are not excluded from the Class, unless they are an Excluded Insurer or are otherwise excluded.

Excluded Insurers and their related entities are:

Aetna (CVS Pharmacy, Inc., CVS Health Corporation, Aetna Inc., Aetna Life Insurance Company, Aetna Health and Life Insurance Company, and Aetna Health Inc. and (a) all past and present subsidiaries, divisions, predecessors, successors, and assigns (in each case, whether direct or indirect); and (b) all past and present subsidiaries and divisions (in each case, whether direct or indirect) of any entity described in clause (a));

Anthem (Elevance Health, Inc. and Anthem Insurance Companies, Inc. and includes: (a) all past and present subsidiaries, divisions, predecessors, successors, and assigns (in each case, whether direct or indirect); and (b) all past and present subsidiaries and divisions (in each case, whether direct or indirect) of any entity described in clause (a));

Cigna (The Cigna Group, Cigna Health and Life Insurance Company, and Connecticut General Life Insurance Company, and includes: (a) all past and present subsidiaries, divisions, predecessors, successors, and assigns (in each case, whether direct or indirect); and (b) all past and present subsidiaries and divisions (in each case, whether direct or indirect) of any entity described in clause (a));

Humana (Humana Inc., Humana Medical Plan, Inc., Humana Health Plan, Inc., Humana Insurance Company, and includes: (a) all past and present subsidiaries, divisions, predecessors, successors, and assigns (in each case, whether direct or indirect); and (b) all past and present subsidiaries and divisions (in each case, whether direct or indirect) of any entity described in clause (a));

UnitedHealth (UnitedHealth Group, Inc., UnitedHealthcare Insurance Company, and UnitedHealthcare, Inc., and includes: (a) all past and present subsidiaries, divisions, predecessors, successors, and assigns (in each case, whether direct or indirect); and (b) all past and present subsidiaries and divisions (in each case, whether direct or indirect) of any entity described in clause (a)).

These also include: (1) the respective past and present officers, directors, members, trustees, and employees of any of the Excluded; (2) all past and present joint ventures (whether direct or indirect) of each Excluded Insurer, including in any Excluded Insurer's capacity as a participating member in such joint venture; (3) all direct or indirect parents and shareholders of the Excluded Insurer (solely in their capacity as parents or shareholders of the applicable Excluded Insurer); and (4) any insurer of any Excluded Insurer or any person or entity otherwise described in the definitions for Aetna, Anthem, Cigna, Humana, and UnitedHealth (solely in its role as insurer of such person or entity).

If you are not sure whether you are included in the TPP Class, you may call **1-877-411-4860**, email info@TPPOpioidSettlement.com, write to National Prescription Opiate TPP Settlement, c/o A.B. Data, Ltd., P.O. Box 173026, Milwaukee, WI 53217, or contact the lawyers in this case at the telephone numbers or addresses listed in Question 19 below. The full TPP Class definition and lists of some entities known to be in the TPP Class can also be found in the Settlement Agreement posted on the Settlement website at www.TPPOpioidSettlement.com.

8. What does the Settlement provide?

The Settlement Fund, if approved by the Court, will total \$300 million.

Settling Distributor Defendant	Settlement Amount
Cardinal	\$92,700,000
Cencora	\$93,000,000
McKesson	\$114,300,000
Total	\$300,000,000

Any interest earned will be added to the Settlement Fund. After deduction of attorneys' fees, reimbursement of litigation expenses, service awards to the class representatives, and notice and claims administration costs, as approved by the Court, the remaining Settlement Fund will be available for distribution to members of the TPP Class that timely file valid claims.

More details about the Settlement are provided in the Settlement Agreement, available at www.TPPOpioidSettlement.com.

9. How does a TPP make a claim for its share of the Settlement Fund?

To make a claim for your share of the Settlement, you must complete and submit a valid Claim Form. You can obtain a Claim Form at www.TPPOpioidSettlement.com or by calling **1-877-411-4860**. Claim Forms must be received (if submitted online) or postmarked (if mailed) by **June 20, 2025**.

10. How much money can a TPP receive?

At this time, it is unknown how much each eligible TPP Class Member that submits a valid claim will receive. Payments to qualified claimants will be calculated on a

proportional (or *pro rata*) basis. The amount of your payment will be calculated based on the Proposed Plan of Allocation available at www.TPPOpioidSettlement.com.

11. When will the TPPs receive payment?

The Court must approve the Settlement, and any appeals of that decision must be resolved, before any money is distributed to TPP Class Members. The Notice and Claims Administrator must also complete processing of all the Claim Forms and determine distribution amounts. This process can take several months.

12. What happens if there are funds remaining after distribution?

If there are any funds remaining after distribution is complete, those funds will be distributed as the Court orders. No remaining funds will be returned to the Settling Distributors.

EXCLUSION PROCESS

13. What does it mean to request to be excluded from the Settlement?

If the TPP does not want to be part of the TPP Class in this Settlement, does not want to file a claim for a Settlement payment, and wants to keep its right to sue the Settling Distributors for the allegations in *In Re: National Prescription Opiate Litigation*, No. 1:17-md-2804, then it must take steps to remove itself. This is called excluding yourself, or “opting out.” If you exclude yourself, you may not make a claim for a Settlement payment described in this Notice, and may pursue your own lawsuit.

14. What is the Exclusion Process?

Your decision to stay in, or exclude yourself from, the Settlement is an individual one that must be made, signed, and submitted by you or your representative who is expressly authorized to do so.

Third-Party Payors that want to be excluded from the TPP Class must submit a written request for exclusion to the Notice and Claims Administrator, Co-Lead Settlement Class Counsel, and Settling Distributors. Your request for exclusion must include:

- The title “Opt-Out Form;”
- The name and number of this case, *In Re: National Prescription Opiate Litigation*, No. 1:17-md-2804;
- Your name, address, telephone number, and email address (if available);
- A statement that, under penalty of perjury, you are a legally authorized representative of the TPP Class Member who has the authority to exclude this entity from the Settlement;
- The entity’s name, address, telephone number, and email address (if available);
- A statement or other proof showing that the entity would be a TPP Class Member if it does not exclude itself;
- A statement that the entity wishes to be excluded from the TPP Class;

- The complaint and docket number of any case in which entity is a plaintiff against the Settling Distributors related to the allegations in this litigation; and
- Your signature.

Signed exclusion requests must be received by the Notice and Claims Administrator at the following address no later than **November 4, 2024**:

In re National Prescription Opiate Litigation
EXCLUSIONS
P.O. Box 173001
Milwaukee, WI 53217

A copy of the signed exclusion request must also be emailed to Co-Lead Settlement Class Counsel and the Settling Distributors at the following email address no later than **November 4, 2024**:

OptOut@TPPOpioidSettlement.com

A separate, signed exclusion request must be submitted by each Third-Party Payor choosing to be excluded from the TPP Class. Any Third-Party Payor included in the TPP Class that does not submit a valid request for exclusion providing all necessary information will be bound by the outcome of the case.

15. What is the legal significance of excluding myself?

If you exclude yourself, you will not be able to claim any of the Settlement Fund and will not be legally bound by the outcome of the case. You may be able to sue the Settling Distributors for the same conduct alleged in the lawsuit.

16. If I don't exclude myself, can I sue later?

No. If you do not exclude yourself (that is, if you remain in the TPP Class and are eligible to receive a distribution from the Settlement Fund), you give up the right to sue the Settling Distributors for the claims in this case. You must exclude yourself from the TPP Class to be able to bring your own, separate lawsuit(s) against the Settling Distributors. Remember, the exclusion deadline is **November 4, 2024**.

IF YOU DO NOTHING

17. What happens if I do nothing at all?

If you are a TPP Class Member and you do nothing, you will remain in the TPP Class and be bound by the decisions in this lawsuit and about the Settlement. However, if the Settlement is approved, you may be able to participate in the Settlement as described in this Notice. To participate in the Settlement and be eligible to receive a payment, you must complete, sign, and return the Claim Form before the claims filing deadline, **June 20, 2025**.

If there are future settlements or judgments with other Non-Settling Defendants, you will be notified about how to participate at that time.

OBJECTIONS OR COMMENTS

18. **How do I object to or comment on the Settlement?**

If you are a member of the TPP Class as defined above, and if you did not request to be excluded, you may object to any aspect of the Settlement, including the fairness of the Settlement, the Plan of Allocation, and/or the Class's requests for attorneys' fees and costs, reimbursement of expenses, or service awards to the class representatives.

To object to the Settlement, you (or your lawyer if you have one) must file a written objection with the Court and send the objection to the Notice and Claims Administrator, Co-Lead Settlement Class Counsel, and Settling Distributors at the addresses listed below. You must submit your objection on or before **November 4, 2024**.

Your objection must include:

- The case name and number: *In Re: National Prescription Opiate Litigation*, No. 1:17-md-2804;
- A statement that you are objecting to the Settlement, Plan of Allocation, application for attorneys' fees and expenses, and/or application for service awards to class representatives;
- A statement describing your objection(s);
- Any legal support or evidence, such as documents, materials, papers, or briefs, you want the Court to consider;
- A statement saying whether your objection(s) relate(s) only to you, to part of the TPP Class, or to the entire TPP Class;
- Documents proving that you are a TPP Class Member;
- The name, address, telephone number, and email address (if available) of all attorneys representing you (if any);
- A list of all class actions to which you and the attorney(s) representing you (if any) have previously objected;
- A statement saying whether you and/or your attorney intend to appear at the Fairness Hearing;
- A statement confirming that you will submit to the jurisdiction of the Court and agree to follow all Court decisions, including about your objection, your request to be heard, and the Settlement; and
- Your signature.

You must submit your objection to the Court and to the Notice and Claims Administrator received by **November 4, 2024**.
